

Mountain-Plains Museums Association

We're more than museums!

VISION STATEMENT

Mountain-Plains Museums Association is the premier regional resource for empowering dynamic institutions and professionals to inspire their communities.

MISSION STATEMENT

Mountain-Plains Museums Association advocates for excellence in the field, provides connections among its various constituencies, and shares creative learning opportunities among a diverse regional audience.

CORE VALUES

Leadership: MPMA values its role as the leading regional museum association in the mountain-plains west. We provide influence and advocacy in support of museums and their missions by partnering with leading organizations in the field.

Education: MPMA provides timely, cutting-edge information for the region's museums of all sizes and disciplines, students, and professionals at every career stage through communication, ideas, workshops, meetings, and mentorship opportunities.

Collaboration: MPMA builds stronger museums through collaborative, collegial professional development. MPMA offers a regional connection to professional development opportunities and encourages networking among institutions and individuals.

Diversity/Equity/Accessibility/Inclusion: MPMA embraces diversity of all kinds, provides accessibility for all, and promotes equity and inclusiveness among institutions and their audiences.

GOALS FOR 2022:

Leadership: To provide leadership to our various constituencies in advocating for local, regional, and national funding opportunities and policies that benefit our region.

Engagement: To connect our various constituencies in meaningful professional development and networking opportunities that build effective partnerships.

Sustainability: To provide an outstanding annual conference and other programming that generates revenue to maximize our operations.
