Helping Hands Brigade

*Feel overworked?
Wish you had more help?
You are not alone!*

Each year, volunteers from the RC-MPMA offer one or more institutions in the MPMA conference's host city a helping hand with registration or collections projects.

If your institution would benefit from this free, professional service or to volunteer your skills, please contact the coordinator, Casey Seger at cseger2@unl.edu or call 402-472-3208.
