campbellcountywy.gov/2023/Internship

Please attach all required documents to the application:

Resume or CV, essay, transcripts, and two academic recommendations

to the Rockpile Museum Association via email at:

assocrma@rockpileassociation.org

Application Due:

March 20, 2023

The Rockpile Museum Association (RMA) is dedicated to the growth, development and success of the Campbell County Rockpile Museum (CCRM) located in Gillette, Wyoming. The CCRM has a large collection of artifacts, documents, photos, objects, etc. from the history of the Powder River Basin. Exhibits, programs, and activities all tie back to Campbell County and the greater Powder River Basin area, with some exceptions relating to Wyoming and other historical areas.

Only graduate students or an incoming graduate student at an accredited University or institution. Museum Studies are preferred, but we will consider students in the history field generally.

Internship will be 10-12 weeks. Intern's primary duty will be to assist with museum collections, cataloguing and archival work. From time-to-time secondary duties will be required, such as front desk work, help with special events, tour groups, and other small projects deemed necessary by CCRM staff. The purpose is to expose interns to many elements of museum work. Ideas for projects are welcomed.

The intern must be self-motivated, work independently, willing to learn and be able to work 40 hours a week. With makeup hours to be scheduled if taking time off during the standard work week Monday-Saturday 8:00am-5:00pm.

Other Requirements:

Transportation will not be provided; must acquire their own transportation.

The intern will be required to attend all RMA Board meetings, 3rd Thursday of the month at 2:00pm, held at the CCRM.

Payments will be issued via check every month as needed.

A written and oral final report will be presented to the RMA and the general public at the end of the internship, featuring what was learned and any special projects the intern has taken on during their time with the CCRM.
